MAID for Missions

Special Prayer Needs:

- Church and Housing Projects Offerings
- Partners David & Tonya Liles: Wisdom as they lead the new mission work in Santa Clara
- Bible College graduates from our church: Christian & Nicco (direction for their future ministries)

When Nicco was just six years old her mother passed away, leaving her as the main caregiver for her brothers and sisters. Living in a remote village in the Peruvian Andes Mountains made that task quite large and rather difficult at times. At the age of 12 she made the long journey to the capitol of Lima to find work and hopefully a better life. After 3 long years of transiency and moving from job to job Nicco met Vicki, one of our church members. Vicki took her in to her home and gave her a job cleaning her house. Soon after, at the age of 15 Nicco entered the 1st Grade **and** began to learn to read and write.

Upon completing high school Nicco received God's free gift of salvation, and was shortly thereafter called by God into full-time ministry. We rejoiced with her two short weeks ago as she walked across the platform of our Bible College to receive her diploma...the end of a very long journey. But, for her it's only just begun, because Nicco knows God wants her to be a missionary. Whether it is in returning to her mountain town or by travelling to another country, she is ready to go...and we are ready to send her!!

Please pray with us for Nicco as she begins her *new journey*.
