BRIAN & MYCHELLE

GARRISON

merry CHRISTmas

As we reflect over the past year, we are continually amazed at the ways in which God has given to us. He has given us the opportunity to work in Peru again even after a bit of a scare with Brian's health. He has given us outstanding Peruvian co-laborers with which to work. He has given us opportunities to lead some to Christ and others to shepherd. He has given us prayer and financial support through many churches and friends. We are thankful beyond words. And now, as we reflect on this time of year, we are once again reminded of the greatest gift of all.....Jesus.....coming to earth in the form of a baby to save His people from their sins. Wow, what gift could be greater than this?

*Merry Christmas and Happy New Year!!

2010 Garrison Gang Update

Brian: is very busy leading the ministries of New Life Baptist Church, all the while still learning to live with the residual effects of his bout with encephalitis.

Mychelle: is leading the ladies ministries at church, leading the Cubbies of Fetzer to know more about Jesus, and discipling 4 little people hoping one day they will serve the Lord with all their hearts.

Bryce: is maturing and starting to get our jokes....it has been fun to have him laugh along with us. He is also learning to play trumpet and has played for two school programs.

Chandler: still LOVES legos. He has also started taking piano lessons and seems to be picking it up rather quickly.

Calista: started Kindergarten this year and it is fun watching her learn so many new things. She is getting to be such a big girl.

Kyra: found out this year that she needed glasses and now that she is used to them, wants them all the time. She is our funny girl who keeps us all laughing .
