“God is in this House”

These words stirred within our hearts an exuberant sense of joy and renewed purpose in our ministry. For five months now Gladys, Kyra's physical therapist, has come to our home 3 times a week to attend to Kyra. During this time Mychelle has had many opportunities to testify to her of her need for a personal relationship with Jesus Christ. However, due to Gladys being a very *devout* Catholic, this process has been rather slow going, until recently.

After presenting Gladys with a Christmas gift, she began to comment on how obvious it was that God was present in our home. This served to us as far more than a compliment but as an assurance that she is beginning to see what it looks like to truly know God, instead of knowing about Him...and she likes what she sees! Please pray with us for Gladys's salvation.

What is Partners for Peru up to?

- In January and February we will host our annual Youth Camps. Pray for souls to be saved and for young people to surrender their lives to serve God.
- Also in January we will begin a new work in Pisco, the area hardest hit by the August 15 earthquake. Pray for partner Brent Williams as he leads this effort.
- On January 20th the Mother Church (New Life Baptist Church of Mayorazgo) will celebrate its 14th anniversary.
- We continue to pray and look for properties for the Mother Church and the new work in Santa Clara, as well as for our future Camp Ministry. Please pray with us that God would lead us to the ideal location for each and that He would provide the resources necessary to purchase them.
