## ***"A Miracle Happened in our House"***

These were the first words out of Moises's mouth when I answered the phone late Sunday evening. He continued to tell me the story... "After watching Chandler (*our* 7 year old son) get baptized, our children were filled with questions. In the taxi on the way home from church they first asked when *they* could get baptized. I then began to share with them the plan of salvation and they could hardly contain themselves...they wanted to pray and receive Jesus right there in the taxi. Upon arriving to our home we spoke with them further and our two oldest daughters prayed and received Jesus Christ as their personal savior. What a miracle."

We never tire of receiving phone calls like this one. We are thankful that God would use the testimony of our son's baptism to reach two precious souls for Jesus. We also rejoice that many of our people, such as Moises, are equipped enough to do the "harvesting". BTW, their names are **Alexia** and **Samara**.

### **Praying for Partners for Peru:**

1. New church in Pisco, led by partner Brent Williams. After a month they are seeing roughly 30 children and adults in the services.
2. The church plant in Santa Clara led by partner David Liles.
3. 2 areas that need a new church : La Victoria and San Isidro.
4. The 12 Bible College students from the Mother Church. Pray for their stamina, faithfulness and finances.
5. Mychelle and I have started a new small group of Young Married couples. Pray for wisdom as we seek to help them in their marriages.
