GARRISON

From...To Malaysia With Love!

Before boarding an airplane for Spain in search of work, Samy (insert right), from Malaysia, was told there had been a change of plans. She was given another suitcase to carry along and then boarded a plane bound for Peru. Unfortunately, Samy had unwittingly been duped into a drug smuggling operation.

Upon her arrival in Peru the authorities seized the drugs and threw Samy into prison. She was later sentenced to 9 years and received two fines totaling more than \$1,600.

While in prison Samy was miraculously saved. She now recognizes that God allowed this turn of events in her life in order to take her away from her idolatrous country and draw her to Himself. After serving 2 1/2 years of her prison sentence and earning an early release, Samy has been attending our church services regularly. She now wants to return to her mother country as a missionary, to share her story of God's grace with her own people...*and we want to send her!!*

In order to be able to leave the country Samy still must pay her fines (which were recently reduced to only \$550), then purchase her airfare, which will cost around \$1,000. She was also recently hospitalized with a life-threatening infection and accrued a medical bill of around \$2,200. If God would lead you to help with any of these needs we would greatly appreciate it! You could send any donation to our BBFI account marked "Samy".

Please pray for Frank and Janet. They, too, have a wonderful story to tell about God's miraculous saving grace. They are being sent out by our church to start a new work in an area called La Campina. Pray for their children Camila and Franco, for the salvation of adults, and for the funds needed to purchase property for this new work. Thanks!!
